Chairman's Message:

Extending a Spirit of Hope this Holiday Season 值此佳節 傳遞盼望

It's hard to believe we are nearing the end of 2021, having made it through another challenging year filled with change and uncertainty. And yet, this Foundation has actively continued to make a difference in the community, and so I remain very hopeful for the future. I am proud to report that, despite difficulties brought on by the pandemic, we have held fast to our mission to extend the healing ministry of Christ.

Over the course of the year, we have not only continued to offer charity medical services through our ongoing programs, but have even launched new programs to better serve the needs of our community. In April of this year, we rolled out the Charity Cataract Program with the aim of providing 100 cataract surgeries to underprivileged elderly. As of this month, we have already conducted 77 surgeries, restoring

vision and quality of life to low-income patients who may have otherwise had to wait nearly two years for cataract surgery at a public hospital. Our other programs such as the HKAHF Charity Colorectal PET-CT Scan Program, which provides free PET-CT scans to financially disadvantaged patients referred from Pok Oi Hospital and Tuen Mun Hospital; our community health screening and training program for the elderly; and support for orthopaedic and urology surgery and consultations; have also forged ahead with many patients benefiting this year.

Looking ahead, we foresee that the demand for charity medical services will remain high, and therefore have set ambitious goals for 2022. Our aim is to provide 400 cataract surgeries, 230 screenings for breast cancer, support for financially disadvantaged patients in need of surgery in areas such as urology and cardiology, as well as more health talks for communities in Tsuen Wan and across Hong Kong.

On behalf of HKAHF and our beneficiaries, thank you for your ongoing support. It is only through the generosity of our friends and donors that we are able to make a difference, so I invite you to join us in extending a spirit of hope to those in need this Holiday season, especially during these trying times. From all of us at HKAHF, we wish you and your family Happy Holidays.

不經不覺，2021年已經來到尾聲，我們亦迎難而上，渡過了變化不定的一年。港安醫院慈善基金今年步伐未停，繼續在社區積極發揮影響，所以我對未來依然充滿信心。回顧基金過去一年的工作，即使疫情帶來種種困難，我們仍然堅守使命，延續基督的醫治大能，實在值得自豪。

在此一年，我們不僅繼續透過現存項目向大眾提供慈善醫療服務，更推出新項目以切合社區需求。今年四月，我們推出了慈善白內障手術計劃，旨在為弱勢長者提供100項白內障手術。截至本月，我們已經進行了77項手術，協助低收入患者恢復視力、改善生活—若非得到基金支持，這些患者只能等待接近兩年或以上時間，方能在公立醫院進行白內障手術。我們的其他計劃也令眾多患者受惠，例如港安醫院慈善基金結直腸科正電子電腦掃描慈善計劃，就為博愛醫院和屯門醫院轉介的貧困患者免費提供正電子電腦掃描；此外還包括為長者提供的社區健康檢查和培訓計劃，以及骨科和泌尿外科手術和門診服務等。

展望未來，我們預計慈善醫療服務的需求將會持續高企，因此須為2022年設立宏大目標—提供400項白內障手術及230項乳癌篩查、支援需要進行泌尿和心臟病手術等的貧困患者，以及為荃灣和全港社區舉辦更多健康講座。

在此謹代表港安醫院慈善基金和受惠人，衷心感謝閣下一直以來的支持。承蒙各界友好和善長仁翁慷慨解囊，我們方能發揮影響，惠及社群。因此誠邀閣下與我們值此佳節，向有需要人士傳遞盼望，渡過難關。港安醫院慈善基金全人祝願您和家人佳節愉快。

Hong Kong Adventist Hospital Foundation - Board of Governors (Tsuen Wan) 港安醫院慈善基金 - 荃灣理事會

After a Decade of Cloudiness, Light and Vision Restored

十年白內障幾近盲 術後重見光明

"Thank you, Hong Kong Adventist Hospital Foundation, Hong Kong Adventist Hospital - Tsuen Wan, and all the generous donors," Ms. Tse said. "I hope more cataract patients will also have the opportunity, like me, to regain their vision and quality of life."

「我十分感謝港安醫院慈善基金、香港港安醫院—荃灣及各位善長仁翁，希望更多白內障病人能夠像我一樣重見光明。」謝女士

For the past 10 years, Ms. Tse, who is nearing 70, has suffered from cataracts. Because her vision was blurry, she often rubbed her eyes, which caused them to become perpetually watery. This also affected her daily life in different ways - for example, she was unable to even see whether her vegetables or dishes were thoroughly clean after washing.

As a CSSA recipient, Ms. Tse was unable to afford cataract surgery at a private hospital. Not only did she have to continuously consult a doctor for seven to eight years, she had been waiting for five years for her turn to receive

cataract surgery at a public hospital. Fortunately, her friend happened to come upon an article about Hong Kong Adventist Hospital Foundation's Charity Cataract Program, and immediately told her about it. Less than one month after she applied to be a beneficiary, HKAHF scheduled cataract surgery for her in June 2021.

Ms. Tse now enjoys much clearer vision and is able to read and use her phone normally once again. She is incredibly grateful for what she calls the "biggest gift of her life".

快要七十歲的謝女士，十多年來亦受白內障折磨；她視物時總是模糊不清，於是經常揉眼睛，導致不停流眼水，相當影響日常生活；平日煮食前洗菜或洗碗，也難辨別是否已徹底洗淨。

於七至八年期間，謝女士持續覆診，並於公立醫院輪候白內障手術有約五年；她靠領取綜援生活，負擔不起私家醫院的手術費，只能繼續等待手術機會。天無絕人之路，朋友閱報得知港安醫院慈善基金推出慈善白內障手術計劃，於是告知謝女士。申請後不到一個月，基金已迅速於2021年6月為她安排白內障手術。

謝女士完成手術後，視物較以前清楚及光亮，看書及手機時也十分清晰，令她非常感激，更自言是最大的禮物。
